- Use of the school bus is from Preschool class age.
- The 1 day addition can be used as a 1 day experience before entering the school. (This is one time only, charged at ¥4,270.)
- The teaching materials fee includes copy/ printing costs and material costs for activities.
- At the time of entry and moving up a class, a separate fee will be charged for a school bags, stationery box, textbook, etc.
- In principle, children entering Preschool classes and above must have grown out of diapers.
- The number of days (3 or 4), and the chosen days, are fixed for the fiscal year, and transferring days is not possible. Please choose the days of the week when you enter the school.
- If a sibling is already enrolled in the school, the entry fee will be halved for the second child. There will also be a deduction of 10% from the second child's monthly childcare fee and tuition fee.
- For information about subsidies please contact your local municipality.
- Please contact us in advance regarding allergies etc.
- ※ Some of our schools do not have a Nursery class. Please check at the school.
